

National Level Learning Alliance Platform (NLLAP)

-
- a multi-stakeholder platform that offers learning and sharing opportunity;
 - a practical approach to promoting vibrant sector discourse/ learning/innovation, etc.;
 - organized by the WASH Resource Centre Network (RCN) in collaboration with the Water Directorate, WD-MWRWH/ EHSD-MLGRD
 - usually takes place on the last Thursday of every month; and open to all interested parties;

Theme: *“The Current National Sanitation Challenges and the potential role of the Endogenous Development Approach (ED) in Ghana”*

Hosting: WaterAid Ghana & The Center for Indigenous Knowledge and Organizational Development (CIKOD)

Objective?

- Share and raise awareness on African Indigenous knowledge and the potential for endogenous development;
- Share innovative strategies for including culture, local and indigenous knowledge and African worldviews in development planning;
- Gain critical appreciation of strength-based approaches to community development;
- Deepen the understanding of the value of culture for development
- Explore the potential contribution the ED approach can provide at this critical time of ongoing national WASH debate and beyond.
