## WASH Based Climate Adaptation Strategies in Ghana

By:  
Ghana Youth Environment Movement  
and WaterAid Ghana

November 3, 2016

---

## Main objectives:

- Highlight the importance of WASH as central to climate adaptation/resilience
- Discuss key WASH based adaptation strategies and how they can be mainstreamed in national adaptation programmes of action; and
- Engage implementing institutions and MMDAs to share knowledge on effective decentralization of WASH based climate adaptation strategies.
