

Mole Cafe

Group 3 – Mole 7 to 13

Group 3 – Mole 7 to 13

- Make good use of members expertise
- Engagement with our stakeholders to influence Government to invest in the organization
- To enforce the bye laws
- Think of how to make use of waste
- The need to restructure the toilet facility
- We should create a marketing structure
- There should be inspection of toilet facilities in houses by sanitation officials

Group 3 – Mole 7 to 13

- Encourage people to build toilets in their houses
- There should be space for building toilets
- We need to spend money to mobilize people
- Government should invest more money in post infrastructure sustainability and services

Group 3 – Mole 7 to 13

- There should be management teams in place
- Litter bins should be properly kept and maintained
- There is need to protect water bodies from illegal mining activities
- There is need to rebrand CLTS
- We need to reduce donor dependency
